The list is meant as a study aide, not as an exhaustive set of limits on what students are expected to know. Part of

cuss below, it is a definition that raises far more questions than it answers. Still, defining comparative politics as a method of study based on comparison and a subject of study based on an examination of political phenomena in a country

Week 1. Comparative Politics and the Comparative Method The goal of this week will be to familiarize ourselves with the object of comparative politics as well as with its main tool, the comparative method. a) August 26th: Description of the course structure, learning goals and student assess-ment.

AP® Comparative Government and Politics is one of the most interesting and challenging classes high school students can take, and the recent changes in the course (fi rst refl ected in the 2006 exam administration) make it even more exciting to teach. At fi rst, I approached the new curriculum with a mixture of anticipation and trepidation.
